ORDER

The HPPC had filed a petition seeking the waiver of the backlog of solar RPO for the FY 2020-21 (1259 Mus) and the shortfall for FY 2021-22 (1246 Mus), in light of the delay in commissioning of renewable energy projects owing to force majeure events i.e. COVID-19 pandemic.

M/s. Clean Max Enviro Energy Solutions Pvt. Ltd. has filed an application requesting to be impleaded in the matter and also to put the matter for public hearing seeking comments / objections / suggestions from public and other stake holders as well.

However, the main petition under which the present application for impleadment was filed, has been disposed of vide order of the Commission dated 19.09.2022. Therefore, the present application has become infructuous and is accordingly disposed of.
